Go Forth to Serve:

Announcements:

We are in need of **volunteers to serve as ushers during March**. Please considering doing so, if you are able. We truly appreciate those willing to serve!

Just a reminder, the choir will be meeting today to practice their next song, "In the Garden" immediately after services.

We collected $123 for our Noisy-Offering this month which will be donated to Helping Hands so that they can continue providing services to our local community. Thank you for your support!

Next Week's Scripture/Message:
John 2:13-22 *"I Will Raise It Up"*

Please consider signing-up to provide soup/meals for Gretchen & John Kelley and Lauren & Don Woodhouse. There are sign-up sheets for each in the fellowship hall. Just a reminder, a low-sodium diet is required for Lauren & Don, and no tomato based meals for Gretchen.

We continue to collect new **mittens, gloves, hats and socks** to donate to our local students. Barb Mesko will be distributing these items throughout the winter months.
